Pupil Premium Strategy Plan

Pupil Premium is a government funded resource paid to schools to meet the needs of disadvantaged pupils. Any pupil who is eligible for Free School Meals now, or has been eligible in the previous 6 years, will receive funding. The funding is also provided to meet the needs of children in care of the Local Authority, children who have recently been adopted from care and children of Service families. The funding paid for each of these groups is different and varies year-on-year.

Who is eligible for Pupil Premium:

- Children in the Armed Forces Personnel
- Looked After Children
- Children adopted from care or who have left care

Children can have free school meals and are eligible for Pupil Premium if they receive any of the following:

- Income support
- Income Based Jobseekers Allowance
- Income Related Employment and Support Allowance (ESA)
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit provided you are not entitled to Working Tax Credit and have an annual income that does not exceed £16,190
- The guaranteed element of Pension Credit

Why Is Pupil Premium Important?

Nationally, there is a strong link between economic disadvantage and poor achievement in schools. Across the country there is a significant gap between the progress made by pupils eligible for free school meals and those who are not eligible. There are many reasons why this gap exists. Pupil Premium is given to schools to help us try to close this gap. It is important because it enables us to counteract the disadvantages that poverty imposes on children. It ensures we can put the support in place to help every child in our school thrive and fully master each stage of the curriculum.
