Tree Tops Primary Academy

Learner Acceptable Use of Technology

Early Years and Key Stage 1

Safe

I understand that the academy Acceptable Use Policy will help keep me safe and happy online.

- I only use the internet when an adult is with me.
- I only click on links when I know what they do.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know the academy can see what I am doing online when I use an academy Ipad, chromebook or my Gmail.
- I always tell an adult if something online makes me feel upset, unhappy or worried.
- I can visit the [academy website](#) with my parent / carer to learn more about keeping safe online.
- I know that if I do not follow the rules:
 - My access to technology could be taken away
 - I may receive a consequence in line with the academy's behaviour policy
- I have read and talked about these rules with my parents / carers.

Tell

- If I see anything online that I shouldn't or something that makes me feel worried or upset, I will minimise the page and tell an adult straight away.
- If I am aware of anyone being unsafe with technology, I will report it to a teacher / adult immediately.
- I know it is not my fault if I see or someone sends me something bad online. I will always talk to an adult if I am not sure about something or if something happens online that makes me feel worried or frightened. This adult will then take appropriate action.

Learner Acceptable Use of Technology

Key Stage 2

I understand that the academy Acceptable Use Policy will help keep me safe and happy online at home and at school.

Safe

- I will demonstrate the same set of values online that are expected of me in the classroom.
- I will only send messages which are polite and friendly.
- I will only post pictures or videos on the internet if they are safe and appropriate, and if I have permission.
- I will only talk with and open messages from people I know.
- I will only click on links if I know they are safe.
- I know that people I meet online may not always be who they say they are.
- If someone online suggests meeting up, I will immediately talk to an adult.

Learning

- I will only use my login and I will not share this information with other pupils.
- I will ask my teacher before using my own personal devices at the academy.
- I will always ask permission from an adult before using the internet.
- I will only use websites and search engines that my teacher has chosen.
- I will only use academy devices for academy work unless I have permission from a member of school staff.

Trust

- I know that not everything or everyone online is honest or truthful.
- I will check content on other sources like other websites, books or with a trusted adult.
- I always credit the person or source that created any work, images, or text I use.

Responsible

- I keep my personal information safe and private online.
- I will keep my passwords safe and will not share them.
- I will not access or change other people's files or information.
- I will only change the settings on a device if a member of school staff has allowed me to.

Understand

- I understand that the academy internet filter is there to protect me, and I will not try to bypass it.
- I know that all academy devices and systems are monitored to help keep me safe, including when I use them at home.
- I have read and talked about these rules with my parents / carers.
- I can visit the [academy website](#) to learn more about keeping safe online.
- I know that if I do not follow the academy rules then:
 - My access to technology could be taken away
 - I may receive a consequence in line with the academy's behaviour policy.

Tell

- If I see anything online that I shouldn't or that makes me feel worried or upset, I will minimise the page and tell an adult straight away.
- If I am aware of anyone being unsafe with technology, I will report it to a teacher / adult immediately.
- I know it is not my fault if I see or someone sends me something bad online. I will always talk to an adult if I am not sure about something or if something happens online that makes me feel worried or frightened. This adult will then take appropriate action.

Tree Tops Primary Academy

Acceptable Use of Technology Policy and Forms

Parents / Carers

1. I, with my child, have read and discussed the Tree Tops Primary Academy 'Acceptable Use of Technology Policy and understand that the policy will help keep my child safe online.
2. I am aware that any use of academy devices and systems may be monitored for safety and security reasons to keep my child safe and to ensure policy compliance. This monitoring will be proportionate and will take place in accordance with data protection, privacy, and human rights legislation.
3. I understand that my child needs a safe and appropriate place to access remote learning if the academy is closed in response to Covid-19. I will ensure my child's access to remote learning is appropriately supervised. When accessing video learning, I will ensure they are in an appropriate location (e.g. not in bed) and that they are suitably dressed.
4. I understand that the academy will take every reasonable precaution, including implementing appropriate monitoring and filtering systems, to ensure my child is safe when they use academy devices and systems. I understand that the academy cannot ultimately be held responsible for the nature and content of materials accessed on the internet or if my child is using mobile technologies.
5. I, with my child, am aware of the importance of safe online behaviour and will not deliberately upload or add any images, video, sounds or text that could upset or threaten the safety of or offend any member of the academy community.
6. I understand that the academy will contact me if they have concerns about any possible breaches about my child's safety online.
7. I know that my child will receive online safety education to help them understand the importance of the safe use of technology and the internet – both in and out of academy.
8. I will support the academy online safety approaches. I will use appropriate parental controls and will encourage my child to adopt safe use of the internet and other technology at home, as appropriate to their age and understanding.
